- Provincial Nomination Pathway

26. Recommended NOC

- Option A: 33109 - Other assisting occupations in support of health services
- Option B: 33102 - Nurse aides, orderlies and patient service associates
- Option C: 33103 - Pharmacy technical assistants and pharmacy assistants

30. Additional Information

- The client should consider obtaining a higher degree to increase her CRS score.
- As the client is self-employed, it may be beneficial to gain formal employment in the recommended NOC fields.
- The client should prepare for the IELTS test to improve language proficiency scores.
- The client should explore opportunities for provincial nomination to enhance the

possibility of selection.

- The client should consider gaining Canadian work experience to increase CRS score.

36. Timeline with Milestones: • Eligibility Requirements Completion (Month): 2 • Pre-ITA Stage (Month): 3 • ITA and Documentation (Month): 5 • Biometric Request (Month): 6 • Passport Request (PPR) (Month): 11 • Confirmation of Permanent Residency (COPR) (Month): 12

Disclaimer: These are projected timelines and may vary depending on the turnaround time of each process involved.

Considering processing times are out of our control, it is crucial to start preparing early. Your strengths lie in your education and work experience, which will be valuable in the application process. However, improving language proficiency scores and gaining Canadian work experience can significantly enhance your application. Please note that this roadmap is tailored to your profile and visa queries.

The recommended pathways are aligned with the suggested NOC codes. Considering the high demand in the healthcare sector, the recommended NOC codes are in the healthcare field. However, it is essential to match these NOC codes with your experience and education.

If you have completed a BSc, consider pursuing an additional degree to increase your CRS score.

Please note that the roadmap is prepared using the information provided and may not be 100% accurate.
